

FREQUENTLY ASKED QUESTIONS

ADMISSIONS

Q. Where do I start?

A. The first step for the enrollment to our programs starts with requesting information on our website and attending a program-specific information session.

Q. What do I need to bring to the Information Session?

A. Come with an open mind to learn and ask questions. During the hour-long Information Session, we discuss in-depth program-related questions including, enrollment process, program structure, tuition, schedule, and externship.

Q. What is the minimum Admissions' requirements to get into the MRI 18-month program?

A.

1. Be at least 18 years of age (Age will be verified with Individual's ID)
2. Provide a verifiable Social Security Number
3. Provide a High School Diploma or GED with a GPA of 2.5 and above.
4. Be able to speak, read, and write fluently in English (all classes are taught in English)
5. Pay the required Registration Fee

Q. What are the program prerequisites for the MRI 18-month program?

A. College-level English Reading, Psychology, and Mathematics a minimum of 3 credit course.

Q. Do I need to take any entrance exams to get into the program?

A. Yes. One of the application requirements is to take the Wonderlic Test. The test has 50 multiple choice questions on Math and English and is 12 minutes long. It can be taken only at school. The passing score is 20+. You have 3 tries, and they must be a minimum of 7 days apart. We advise taking your time to prepare for the test as you gather the required paperwork. You may do an online search for practice tests.

Q. Where do I get the Application for the program?

A. After attending the Information Session, you can then request Application Packet for MRI 2020 program via e-mail admissions@sui.edu. The packet will include detailed instructions for the next steps in the enrollment process.

Q. Can I transfer courses from other colleges to this program?

A. Yes. You may transfer college-level Anatomy, Physiology, Medical Terminology. The courses must be taken within 5 (five) years from the time of the application and earned a minimum of "C" grade and a minimum of 8 credits for all 3 courses together.

PROGRAM

Q. Is your program accredited?

A. Sacramento Ultrasound Institute (SUI) is *institutionally* accredited by the Accrediting Bureau of Health Education Schools (ABHES) since August 2015.

Q. Will I be eligible to take the ARRT exam upon program completion?

A. Yes. Upon successful completion of the program, students will be eligible to sit for the ARRT registry exam.

Q. What are the school hours?

A. The school is open Monday through Friday 8:00 AM to 5:00 PM.

Q. Is there a night or online classes available?

A. Currently, MRI classes are held on campus Monday through Thursday from 8:00 AM until 2:30 PM.

Q. What's the length and the cost of your program?

A. The program is 18 months, including the clinical externship. Click [here](#) to see the cost breakdown.

EXTERNSHIP

Q. How does the clinical portion of the program work?

A. The Clinical Experience course is scheduled after the completion of the Didactic portion of the program.

TUITION AND FINANCIAL AID

Financial aid is available for those who qualify. Sacramento Ultrasound Institute participates in various federal student financial assistance programs. Please see the [Financial Aid](#) section for more information. Admissions will provide basic information regarding the tuition cost breakdown, anticipated monthly payments, and possible credits towards the program. We advise completing FAFSA application for the 2019-2020 year by visiting FAFSA.ED.GOV and allow at least 3 business days prior to contacting SUI Financial Department. Our school code is **042537**.

For answers to questions not addressed above, please contact admissions@sui.edu.
